**GATHERING**

There is a wildness to this moment,  
**just as there is a wildness to love.**  
Here we pause between what we were and  
who we will become  
**to feed our bodies and awaken our spirits.**  
Here beside the basin,  
**we will remember what love can do.**  
Here at the table,  
we will confess that there is brokenness and healing that  
this world needs.  
**We come to find healing together.**

**OPENING PRAYER / Breath prayer**

There is something in the air tonight.  
We feel the bluster and the roar.  
We sense it moving us and encouraging us,  
in and out of the trees,  
moving over the waters of Creation,  
and coming into our lungs to remind us to breathe.

To catch our breath after all that has happened,  
and that could still happen.  
We find Spirit filling us up with air.  
*Breath prayer*
